Thursow Weed's Story of the First Trip from Albany to Schenectacy.

S. Y. Umos.

The controversy in regard to the first steam railroad train operated in this country is as yet unsettled, but this country is as yet unsettled, but During the performance of a circus at Redding the chandelier fell, ignting the dry grass on the ground, and spreading to the canvas, a considerable portion of which was burned. Quite a panic occurred amon this road was granted in 1826 to the At San Jose on the 17th the jury in the suit of Alice Leaby vs. Southern Pacific railread returned a verdict for the plaintill fixing damages at \$10,000. The action west brought to recover damages for the loss of her husband, a brakeman on defendant's train who was billed at Santa Clara July claimed to be the first steam passen. train, who was killed at Santa Clara July claimed to be the first steam passenger train ever run in this country, On th 18th, B. Boisserance, a leading was sent over the rails from Albany to French citizen of Los Angeles, attended a picnic, where he was bitten by a fly. The next day the spot conmenced to swell, and he died in great agony from bloodpoisoning. It is the opinion of his physicians that the poison was communicated from some diseased animal by the fly.

Schenoctarly and back. Among the passengers on this memorable excursion was the venerable Thurlow Weed, and his memory of the event is still very vivid. In speaking of it to a Times reporter yesterday, Mr.

cians that the poison was communicated from some diseased animal by the fly.

The Chico Record says that the body of a man is now tied up with a rope to the bank of the Sacramento river near Eddy's Ferry, and has been there floating and rotting for a week or more. It was found on the Colusa county side by some men on one of the steamers going to Chico, who tied it to the Butte side of the river. The coroners of both counties refuse to take charge of the body, each claiming that it belongs to the county of the other.

Mrs. Margaret Monett, residing not far belongs to the county of the other.

Mrs. Margaret Monett, residing not far from Red Bluffs, while smoking a pipe in front of her house discovered that her dress was on fire. She ren to a water trough near by and lay down in it, trying to extinguish the flames, but being a large woman, weighing over 300 pounds, her efforts to put out the flames proved fruitless, and she was unable to get out again. The fire continued to burn her clothes and body, also, to such an extent that she died from the effects of her injuries.

Albany and Schenectady line was the first one completed and operated. There is no doubt that both roads were constructed almost simultance outly, but I have a very strong impression that the first train was run over the New York line. The road was narrow gauge, and followed the same route as it does now that it has been consolidated and forms the eastern trail but in 1821 the content of the first one completed and operated. There is no doubt that both roads were constructed almost simultance outly, but I have a very strong impression that the first one completed and operated. There is no doubt that both roads were constructed almost simultance outly, but I have a very strong impression that the first train was run over the New York line. The road was narrow gauge, and followed the same route as it does now that it has been consolidated and forms the eastera terminus of the New York Cen tral, but in 1831 the country through waich it passes was very lightly set Albuquerque fav rs a territorial jockey association with a cir uit comprising Las Vegas, Santa Fe, Albuquerque and oud I suppose there were not half a oud I suppose there were not half a dozen houses between Albany and Schenectade a distance of arrival node every evening. Fruits a distance of arrival node every evening.

All Goods Warranted as again bean respited by Governor Sheldon and August 6th is now set as the day of execution. Franklin will probably die of disease before that time.

Franklin, the Silver City murderer, has again bean respited by Governor Sheldon miles. There was a hill at both the execution. Franklin will probably die of disease before that time. Albuquerque street car drivers are lazy, and one patron of the line, whose signal to step the car was not heeded by the driver, effectually roused the l. d. by placing a six-shooter under his nose.

They are set to be seen a constant to the cars were drawn up and le: down these hills by a strong rope, which was worked by a stationary engine, so that the locomotive did not enter either of the cities. The locomotive was a constant to the locomotive was a const CANCERS REMOVED without the drawing of blood or use of kindle Cures lung diseases, AND OTHER Plant, Dropsy, Rheuma, Pits, Scrofula, Liver Complaint, Dropsy, Rheuma, Rheum, Scald Head, Catarin, weak, inflamed and granulated Eyes, Scrofulous Ulcers and Female Disease of all kinds, Alo Kidney and Venerial diseases. coaches taken from the lumbering wheels and transferred to railroad "I remember that first excursion very well, and most of those who enjoyed it," continued Mr. Weed. "The gentlemen who made the trip were Lewis Benedict, James Alexander, of an ice cave in the mountains there. He says that at a great altitude the cave appears and in it there is a body of water. The atmosphere at the mount of the cave, and even in the vicinity, is very cold owing to the heighth and the protection from the sun's rays afforded by the sheltered leading. president of the Commercial bank of rin, of Saratoga; John J. De Graff Inside of the cavern ice forms on the water even at this season of the year, thus affording a constant supply of the cooling John Townsend, Billy Winne, the penny post at Albany; ex-Governor Joseph C. Yater, myself, and two or

John A. Kimball, of Ozden, has been sentenced to two years hard labor in the penitentiary for having robbed the mails while a postal agent on the Utah & Northern railway.

Indian Agent Berry, formerly of the Uncompahere agency, now at the Uintah agency in Utah, has been placed under arrest. The nature of the charges against him are not learned. The arrest was made by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad panied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and a squad by Inspector Pollock, who was accompanied by Lieutenant Gurley and the rest. than I. A great crowd of people as One Abe Cannon was on a mission and fell into Germany, where he converted a few to the Mormon faith and baptized them. The German authorities finding a law covering the case as a misdemeanor, issued a warrant for his arrest, but failed to secure the elder. They succeeded in capturing one John Q. Cannon, who was released upon showing that he was not the man who did the baptizing. Abe returned with the last immigrants, and says he does not love Dutch cheese and sour arout, but loves polygamy better.

bany to see us start, and among them was an artist by the name of Brown, I think. It took about three quarters of an hour to get ready for the start, and during that time Brown managed to secure a picture of the party, the portraits of which are remarkable for their fidelity. Several copies of this picture are in existences, and I have one of them myself. The original is in the possession of the Connecticut Historical society, at Hartford, When bany to see us start, and among them Historical society, at Hartford. When all ready the coaches were pulled up She p to the number of 66,880 head the hill by the stationary engine, taye been driven out of the state in the locomotive was attached when the summit had been reached, and we An Englishmen named Carver, buying went thundering along toward Schent Laramie, gamble 1 off \$2,000 of his em-loyer's money at Heppner, Umatilla county, and then left the country.

Complaint is made by settlers on Dry creek, I matilia county, that Indians from the reservation in digging cames injure meadows and fields in the most aggravating way. One frate rancher on Easket mountain waras the agent to keep them away if he does not want them crippled too awards to return this season. by the road to Albany, making the trip in a little over an hour.

The only stockholders of the Mo hawk & Hudson railroad whom Mr. dus of fortune hunters from that section has commenced, and hundreds are unable to get away unless they walk.

Reed could remember were Mr. De Wolf, of this city, the father of Catherine De Wolf, John Townsend, of Albany, and Mayor John J. De Grail, of Schenectady. The old narrow guage road was torn up when the con-solidation with the New York Central ively for those engaged in business there lames and music are going all day and the stationary engine was made, and the stationary engine was dispensed with, the locomotivos running directly into Albany and Schenectady. The route of the line was not changed, however, and travelers from Albany to Schenectady over the New York Central now pass through the same country, although it is much more thickly settled, that was looked out upon by the passengers on the first railroad train that ever
